Statement of Relevancy of a Foreign Language References

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The DE 100 23 249 reference, which is cited in an Information Disclosure Statement by Applicant filed contemporaneously with this Statement, is being supplied in a language other than in English. The relevancy of the foreign language reference is identified by the European Patent Office in a corresponding International Patent Cooperation Treaty Application (copy of which is attached hereto) as an "X" reference relevant to claims 1-21 meaning it is a "document of particular relevance, the claimed invention cannot be considered novel or cannot be considered to involve an inventive step when the document is taken alone".

The DE 102 35 819 reference, which is cited in an Information Disclosure Statement by Applicant filed contemporaneously with this Statement, is being supplied in a language other than in English. The relevancy of the foreign language reference is identified by the European Patent Office in a corresponding International Patent Cooperation Treaty Application (copy of which is attached hereto) as an "X" reference relevant to claims 1-21 meaning it is a "document of particular relevance, the claimed invention cannot be considered novel or cannot be considered to involve an inventive step when the document is taken alone".

The Marcolini reference, which is cited in an Information Disclosure Statement by Applicant filed contemporaneously with this Statement, is being supplied in a language other than in English. The relevancy of the foreign language reference is identified by the European Patent Office in a corresponding International Patent Cooperation Treaty Application (copy of which is attached hereto) as an "A" reference relevant to claims 1-21 meaning it is a "document defining the general state of the art which is to be considered to be of particular relevance".

Respectfully submitted,

McDONNELL BOEHNEN HULBERT &
BERGHOFF LLP
